

Skills Support for the Workforce.

Fully-subsidised
training to give your
business the edge

All successful companies know that investing in staff through training is critical to future achievements. We live in a rapidly changing world that demands multi-skilled and multi-talented staff.

We know that financing staff training can be challenging for smaller companies and that's why, with funding from the European Social Fund and resources from London Capital Colleges* we are giving London based small and medium-sized businesses the opportunity to train their staff **AT NO COST****

Training your staff for the future

This is a unique opportunity and we're expecting a high demand, so to find out how we can create a training programme tailored to your needs, please contact us on the details below:
